Support me during the Legacy Centenary Torch Relay 2023.

Dear _____,

I am thrilled to announce that I have been selected to be an official Torch Bearer for the **Legacy Centenary Torch Relay 2023** presented by Defence Health.

Through my personal connection to Legacy, I will be proudly participating in a 50,000km global torch relay in commemoration of Legacy's 100 years of service.

As part of my role as an official Torch Bearer, I will be participating in the **Legs for Legacy** fundraising campaign.

Legs for Legacy is the fundraising effort that enables me to do more for the cause, by inspiring friends and family to get behind me and sponsor my leg of the relay.

Every donation goes towards continuing Legacy's services, providing financial, emotional, and social support for veterans' families, so they can grow and thrive despite adversity. We have a goal to raise \$1 million towards the future of Legacy.

This is a once in a lifetime experience that I am honoured to be a part of, and your support, whether from the sidelines or from afar, will mean so much to me.

Please cheer me on by sponsoring my leg of the relay [\[insert fundraising page url\]](#).

Your donation will help Legacy to continue providing their much-needed services to our veterans' families for the next 100 years.
